Pre-programme

# VIP & First Choice Programme

## Privileged moments around modern and contemporary art

Paris Gallery Weekend fifth edition is set on 26 and 27 May 2018, launch day on Friday 25 May. In 2018, 44 galleries and 6 partner institutions come together to offer a rich programme of exhibitions, vernissages and special events (meetings with artists, talks, vernissages, performances, brunches, refreshments and cocktails).

For the second consecutive year, two talks in partnership with Talking Galleries will bring together an international public of both art professionals and art lovers on two important current topics in contemporary art.

Landmark event of modern and contemporary art in Spring, Paris Gallery Weekend highlights the city's vivid arts scene.
